

**LUQMAN  
PHARMACY LLC**  
*Care Redefined*

## Introducing Luqman Pharmacy

Luqman Pharmacy, has been having its legacy in the market since 1984, and has become an established organization which caters to the entire pharmacy needs of the individuals and needless to mention that it has transitioned itself as a most recognized pharmacy store which has been fulfilling the medical requirements since the last 35 years of its existence in the marketplace.

Today, Luqman Pharmacy has become the tag name for delivering the personalized, sustainable and all-managed by experienced and expertise team of healthcare providers who holistically bring about the health care solutions.

### The formative years

The formative years have been quite a hallmark and transformed itself as a friendly neighbourhood pharmacy and became a landmark in the locality of Satwa. We have been serving the customers with a common goal of fulfilling the requirements of a customer and have got the tag of being the best pharmacist solution with accessible service and guidance in all minor health ailments

### We liaison ourselves very much with the doctor's prescription

We at Luqman Pharmacy, have been always liaising ourselves between the doctors and the individual in terms of interpreting the prescription and then prescribing the medicines thereby giving the personalized and professional touch by attending to every details of the medicine doses and ardently following the medication management protocols to the best of our ability.

## Affiliations and Associations

As we are serving the customers in the neighbourhood, we are also acclaimed to be associated with many locally established clinics such as :-

We have also had an exclusive empanelment with all major insurance companies in the U.A.E.

We have become the one-stop shop for offering the entire range of premium products with absolute premium products. The staff deals with customers with absolute professional service and bestowing the best personal care to the individuals in a pleasant ambience with affordable prices.

We cater to the following:

 Wide range of medicines

 Surgical and Medical Equipment

 Make-up

 Cosmetics

### Selling Partners

We have got the online presence with popular online portals such as Amazon, Noon, Ookaz, Rebatus to mention a few so that the customers can purchase our range of medicines and other products sitting at the comfort of their homes.

### Our Network

We have already established 5-branches of pharmacy outlets in **Satwa, Bur Dubai, Horlanz and Al Qusais** and have a strategy to open more such pharmacy outlets. The objective before us is to transcend ourselves as a leading Health Care Provider.

## Luqman Pharmacy LLC -Promoters

**Mr. G.K.V.Rao**

Mr. G.K.V. Rao is the **Managing Director and the Board Member of Luqman Pharmacy llc**, the holding company with the inclusion of all the branches and for the entire range of pharmacy products.

Mr. Rao took over the mantle of handling the Lukeman Pharmacy after a substantial profit post from the **transcendental management handover in 1990** from the local sponsor **Mr. Hassan Ali**, the first founder of the company which was established then in the year 1984.

Mr. G.K.V Rao has been an ardent pharmacist and holds a Pharmacy Degree passing out of Andhra University, in India in the year 1977. As a pharmacist, he has got an illustrious career of delivering his expertise in the pharmaceutical domain and showcasing his leadership qualities while in the similar capacity. In his promising career, he has been diligently delivering administrative capabilities since three decades.

**Mr. G. Suresh**

Mr. G. Suresh has carried the legacy of his father Mr. G.K.V. Rao, took up pharmacy as his major domain expertise and has transformed himself as a pharmacist. Under the expert guidance of his father, whom he regarded as a professional mentor, was able to spearhead an idea of expansion of his pharmacy store with simultaneous establishment of 4 branches till date.
